Collect

Keep us, O God, frompettiness, let us be large in thought, in word, in deed. Let us be done with faultfinding, and leave off self seeking. May we put away all pretense and meet each other face to face with out self pity and without prejudice. May we never be hasty in judgement and always generous. Teach us to put into actionour better impulses, straight forward and unafraid. Let us take time for all things, make us grow calm, serene and gentle. Grant that we may realize it is the little things that create differences; that in the big things of life we are as one. And may we strive to touch and to know the great common woman's heart of us all, and O Lord God, let us not forget to be kind.

Mary Stuart.
